1952 YEARBOOK TO

ROY S. McCARTNEY

HERE WE ARE

With a man as small and as friendly as they come . . . who always has a great big "hi" for everyone he meets. One needs but ask and he is there to help in any way he can . . . a good friend to any student.

HERE WE ARE

With a man who has devoted much of his time over a period of ten years to teaching mathematics to students of Whittier High . . . to advising our Pep Club . . . to working on Teachers' Club activities . . . to supervising our rooting section at school games . . . and to serving our community in many other ways.

HERE WE ARE

With the kind of man we don't like to get along without . . . the kind of person, the kind of teacher that makes learning fun . . . and who sets an example for students to follow.

HERE WE ARE

With Candy and Clarence Cardinal, representing all the girls and boys of Whittier High, dedicating the 1952 Cardinal Annual to "Mac," Mr. Roy S. McCartney.

"HMMMMM . . . THIS FELLOW DESERVES AN A."

GENERAL METALS BUILDING

This year the P.T.A. has made a great effort to help the parents and teachers understand their common problems. The P.T.A. board has done a fine job guiding the business of this fine organization in their many activities for the good of the students.

The hard-working members of the Board of Trustees form our school policies, guide our school purchases, and approve budgets. This years' board included; C. H. Wennerburg, Jack Lewis, Dr. Maxwell Flanders, J. L. Swain Jr., Douglas W. Ferguson, R. Lee McNitt and Mr. Wallace Wiggins who was absent at the time the picture was taken.

MR. C. H. WENNERBERG

There isn't any greater concern today among the people of the world than what is going to happen to all of us in the not too distant future.

However, the class of 1952, through its Annual Staff, has focused attention on arriving at a significant milestone in its educational journey and pauses to say to all of us "Here We Are."

I congratulate you on your accomplishments and vision and sincerely hope that the life which you continue from here on will always bring a great awareness of the significance of the role you may play in it.

MRS. MARION HODGE

Here we are at the cross roads in the history of our high school. This year's graduating class is the fiftieth class to receive diplomas from the Whittier Union High School Board of Trustees.

At the end of this fifty years the district is completing plans for its second high school which will accommodate many of our students. Within a few years our student body will again be divided so that all pupils may be properly housed.

Even though the students will be attending different schools, the same rich program of class offerings and activities is being planned by the administration and staff for all the students and each individual pupil will be helped to develop to the fullest of his ability.

Whether you are graduating and plan to enter college or business or whether you will be attending El Rancho or Whittier High School, we who are members of the Guidance and Curriculum staff extend you our very best wishes.

MR. HAROLD WIDNEY

The year 1952 is an important milestone in the history of Whittier Union High School. We have developed from a small school to a highly complex educational system. Looking backward we see a panorama of high points, places of prestige and honor. Looking forward we sense the uncertainties of the future. Our immediate future presents us with the problem that no longer will Whittier High School be the high school for the district. In a very few years our high school will have become five. A wise consideration of our problems of the present and our problems of the future coupled with good judgment will give us high schools to be proud of. We have come a long way; a long way stretches into the future. Here we are, happy in our today. I sincerely hope we can look forward to many happy tomorrows.

OF OUR DESTINIES

Top Row: Mr. Hillson, Mr. Lapp, Mrs. Throp, Miss Winters, Mr. Johnson, Mrs. Berryhill, Mr. Harshbarger. Bottom Row: Mr. Brownell, Mr. Nichols, Miss Chaffee, Miss Blakesley, Mrs. Stickney, Mrs. Sorensen, Miss Boyd, Mrs. Correll, Mr. Helsing, Mr. Gardner.

ENGLISH ORIENTATION

These are our English Orientation teachers. Theirs is the task of helping the new freshmen students to become acquainted with their new surroundings, our customs and our school. These teachers show us how to put our high school studies to our best use. Some of these teachers are new, others are well known, but all are well liked.

THEIRS IS THE MONUMENTAL

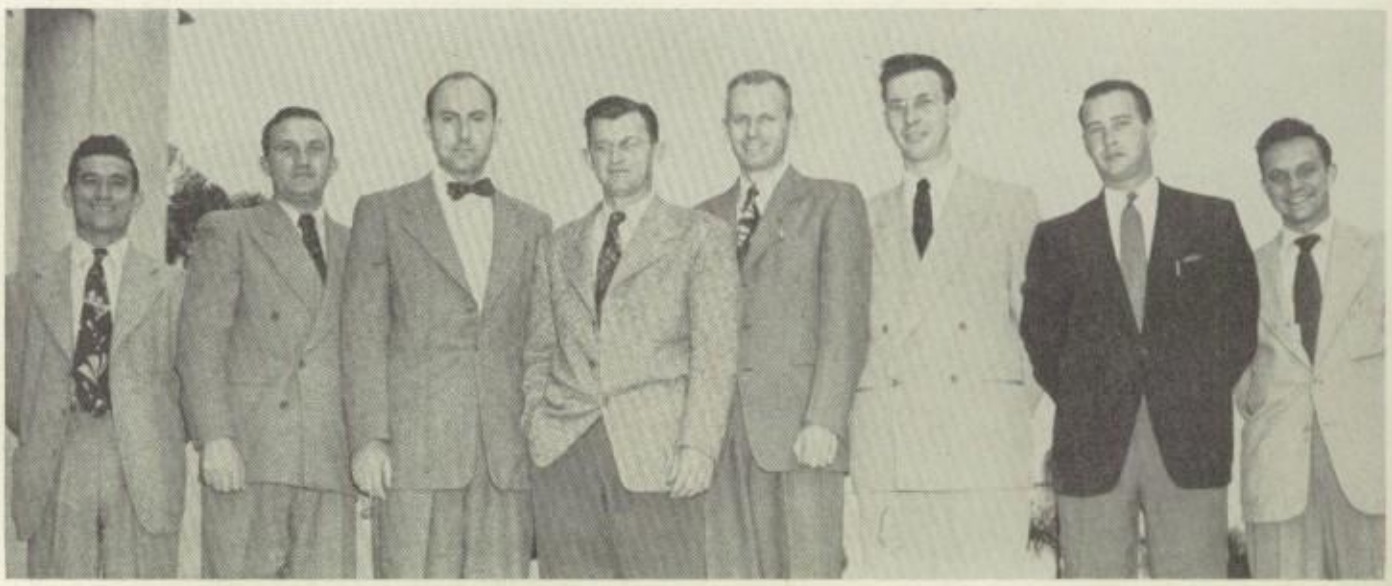
WORLD CULTURES

Around the World in two semesters. This is the object of our World Cultures teachers. From Peking to Paris and back again. Besides teaching a colorful subject, these teachers do their best to make the course interesting and informative. In order to direct a World Cultures class you really have to know your way around (the world).

Top Row: Mr. Stevenson, Mr. Wolstoncroft, Mr. Leonard, Mr. DeNoon, Mr. Cohen, Mr. Warren, Mr. Soper, Mr. Robertson, Mr. Tammen, Mr. Moore. Bottom Row: Mr. Osterman, Mrs. Jones, Miss Jones, Miss Simser, Miss Shepherd, Mr. Whitcomb, Mr. Frasier, Miss Charles, Mr. Lee.

AMERICAN LIFE

These are the teachers of our American Life classes, this course deals with our country, our constitution, our President, our depressions and our booms. From the Boston Tea Party to World War II. These teachers play an important part in our democratic way of life, for to be free, we must be informed.



Mr. Padia, Mr. Tenopir, Mr. Smiley, Mr. Johnston, Mr. Osborn, Mr. Denton, Mr. Kerr, Mr. Noble.

SENIOR PROBLEMS

The task of the Senior Problems teacher is to prepare the twelfth year students for the world they will go out into after their graduation. One semester these teachers acquaint the students with the functioning of our governments, the other semester the topics of Psychology, marriage problems and family living are discussed. All in all the Senior Problems teachers have much to do in adjusting the students to the problems they will face in the coming years.

Top Row: Mr. Denton, Mr. Jillson, Mr. Tenopir, Mr. DeNoon, Mr. Stevenson, Mr. Lapp, Mr. Osborn, Mr. Harshbarger. Bottom Row: Mrs. Throp, Mrs. Jones, Mrs. Sorensen, Mrs. Pellett, Mrs. de la Vega, Miss Stiener, Miss Hussey, Mrs. Berryhill, Miss Blakesley,

GIRLS PHYSICAL EDUCATION

Speedball, Baseball, Tennis and so on down the line. These are subjects upon which the Girls Physical Education teachers are experts. Also under this catagory come the G. A. A.; the organized athletics for the girls. The job of setting up games and activities for the girls falls on their shoulders.

Top Row: Miss Fien, Mrs. Serafino, Miss Withrow. Bottom Row: Miss Broady, Mrs. Rhea, Mrs. Kennedy, Miss Schwoerer, Miss Strathairn, Miss Lesczak, Mrs. Korf.

TASK OF TEACHING US

Top Row: Mr. Robinson, Mr. Mele, Mr. Holloway, Mr. Hobson, Mr. Waer, Mr. Christie, Mr. Cramer. Bottom Row: Mr. Phelan, Mr. McLellan, Mr. Wineinger, Mr. Whitcomb, Mr. Padia.

BOYS PHYSICAL EDUCATION

The boys Physical Education teachers really deserve a hand. Besides setting up athletics schedules for five regular classes, they work out after school to give our school championship athletic teams. Whittier's place in her league testifies to the good job they have done.

Top Row: Miss Freeland, Mr. Richards, Mrs. Holt, Mrs. Brannan. Bottom Row: Mr. Reyes, Mrs. Olsen, Mrs. Tomlinson, Mr. Johnson, Mr. Avila.

LANGUAGE TEACHERS

Voila!! Pardon the language, but this is the best way I know to introduce Whittier High School's Language Department. France, Germany, Rome or Spain; these teachers would be at ease in any of these places. The students studying these languages today may someday make use of them themselves. It is a good subject taught by good teachers.

MATH

These are our mathematics teachers, they are well known on the campus since almost everyone at one time or another has taken a math course. These teachers do their best to make an easy course out of a difficult subject. From Algebra through Trigonometry; these are the brains of the mathematics department.

Top Row: Mr. Bruce, Miss Kerl, Mr. Phelps, Mr. Fisher, Mr. Hanson. Bottom Row: Mr. McCartney, Mr. Helsing, Miss Wolin, Miss Boyd, Miss Chaffee, Mr. Corcoran.

THEY KINDLE THE LAMPS

Top Row: Mr. Krause, Mr. Tebbs, Mr. Robinson, Mr. Halderman, Mr. Robinson, Mr. Claxton, Mr. Hemmerling. Bottom Row: Mrs. Patillo, Miss Root, Mr. Hole, Mr. Munn, Miss King, Mr. Bailey.

SCIENCE

These are our school's scientists, so to speak. The science teachers do their best to show us the why and wherefore of the things about us. By combining book-work in the room and practical experience in the laboratory, they give us a generous insight in our world ol science.

COMMERCE

The Commerce Building is well known to all. In it is located the typing, printing, stenography, mathematics and merchandising classes. These are the teachers of those classes, they endeavor to prepare us for the commercial world about us and acquaint us with business methods and procedure.

Top Row: Mr. Weiss, Mrs. Pierce, Mrs. Phelan, Mrs. Norcross, Mrs. Caldwell, Mr. Esselstrom. Bottom Row: Mr. Wegner, Mrs. Hawkins, Mrs. Pierce, Mr. Eisen, Miss Cotton, Mr. Estes.

OF WISDOM AND KNOWLEDGE

Top Row: Mr. Porter, Mr. Nielson, Mr. Jarvis, Mr. Austin, Mr. Ellis, Mr. O'Malley, Mr. Horton. Bottom Row: Mr. McLellan, Mr. Arnold, Mr. Lein, Mrs. Hirst, Mrs. Mogan, Mrs. Rydberg, Mr. Davis, Mr. Cushingham, Mr. Moores.

INDUSTRIAL ARTS AND HOMEMAKING

These are the Industrial Arts teachers of the shops and the homemaking teachers of John Muir. In both courses you can find boys and girls preparing for what could possibly be their future profession; the boys working in industry, the girls doing the same in their homes.

FINE ARTS

Our school's Fine Arts department is composed of teachers of music, art, publication and drama. The students of these teachers are the ones who sing in the choir, paint the pictures seen in the art exhibits, print the annual and C&W, and act in the school plays. The apt pupils of these teachers help to spread enjoyment and entertainment throughout the school.

Top Row: Mr. Adams, Mr. Winters, Mr. Keim, Mr. Horton, Mr. Litten. Bottom Row: Mr. Petty, Miss Crowell, Mrs. Peterson, Miss Russell.

Left to Right: Mrs. Birkes, Mrs. Cortez, Mrs. Dick, Mrs. Lucas, Mrs. Thompson, Mrs. Le Claire, Mrs. Stinnett, Mrs. Vance, Mrs. Sallgren, Mrs. Epperly, Mrs. Morrison, Mrs. Stobaugh, Mrs. Patton, Mrs. Morris, Mrs. Pederson, Mrs. Kennedy, Mrs. Waldon, Mrs. Neff, Mrs. Hilberg, Mrs. Jelinek.

CAFETERIA

Both lunch periods are acquainted with the good food and the wonderful service which is found in the cafeteria. The popularity of the cafeteria is due entirely to the successful management of Miss Drake and the good cooking of her staff of 17 cooks. Their menu is varied, and it is planned to please the majority.

BEYOND THE REALM OF CLASSES

First Row: Mrs. Newton, Mrs. Kessler, Mrs. Dean. Second Row: Miss Hiatt, Mrs. Croffoot, Mrs. Stinson, Miss Morales.

First Row: Mrs. Durrett, Miss Niles, Mrs. McCandless. Second Row: Mrs. Bateman, Mrs. Smith, Mrs. Nowlin.

SECRETARIES

From a look at a days' work of our secretaries, one will quickly realize the arduous tasks which they must perform. Taking inside and outside phone calls, handling mail, giving information and helping to direct school business are a few of their many jobs. Our secretaries form an essential part of our school.

First Row: Miss Kenworthy, Mrs. Ostrander, Miss Cavalieri. Second Row: Mrs. Swafford, Mrs. Pascoe, Mrs. Hughes.

First Row: Mr. Wegner, Mr. Hudson, Mr. Rouzer, Mr. Ford, Mr. Burns, Mr. Cummings, Mr. Berryman, Mr. Stokes, Mr. Hay, Mr. Sargent. Second Row: Mr. Van Alstine, Mr. Troesh, Mr. Fernell, Mr. Jelinek, Mr. Ploog, Mr. Thompson, Mr. Sacquety, Mr. Huffman, Mr. Hiatt, Mr. Cremer, Mr. Irwin, Mr. Wakefield.

JANITORS

"A stitch in time saves nine" might be the motto of the custodians. To them not only falls the job of keeping our campus and buildings clean, but operating and maintaining the schools equipment. A look at our campus will show how well they perform their job. Our janitors do much toward preserving the beauty of our high school campus.

BUS DRIVERS

Our bus drivers are an essential cog in our wheel of education. Many of our students come from remote districts from which it would be difficult to reach school if it weren't for our good busses and competent bus drivers. The safety record of this department has been outstanding, because of the efficient supervision of Mr. Jon Tedrick, transportation head.

First Row: Mr. Tedrick, Mr. Belliss, Mr. Jenkins, Mr. Hammond, Mr. Nevil, Mr. Tvedt, Mr. Walters. Second Row: Mr. Blake, Mr. Burchell, Mr. Pierce, Mr. Richards, Mr. Summerfelt, Mr. Jessup, Mr. Jones, Mr. Riesgo, Mr. Arnott.

THEY SERVE OUR VARIED NEEDS

FAIRLY, YET FIRMLY THEY

CABINET

Here we are with the A. S. B. cabinet, the twelve students with whom the highest power in Whittier High's student government is placed. The task of the cabinet is to approve all expenditures of student body funds, review the decisions of the Student council and Representative Board, and to interpret the Associated Student Body Constitution.

The Cabinet is composed of both the elected and appointed Student Body Officers. To carry out these responsibilities efficiently the cabinet members put forth much work and many hours throughout the year. As evidenced by the outstanding student government we have maintained this year the 1951-52 Cabinet has done its job well.

REPRESENTATIVE BOARD

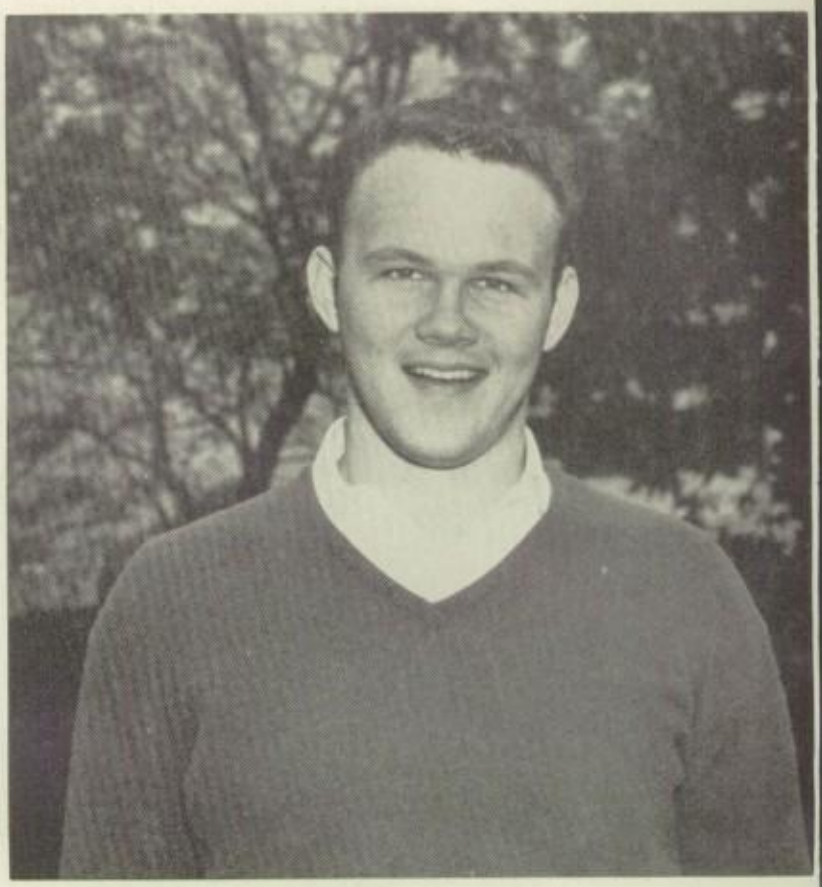
Student democracy in action-our Representative Board, composed of representatives from most of the campus clubs and organizations, this group plays a most important part in Whittier High's student government. The Representative Board is charged with responsibility of granting and approving all club charters, supervising Student Body Committees and bringing action on school problems. This years' Representative Board has done much in providing increasing opportunities for more students to take part in school government and has helped to create better feelings between the school and the students by means of closer co-operation among the faculty, students, and school organizations.

TALKING OVER CAMPUS PROBLEMS

ON THESE SHOULDERS RESTED

Here we are among the leaders whom the students have chosen to keep the wheels of our school running smoothly. Steve Palmer as A.S.B. President has truly gained a high place among Whittier's outstanding leaders. By drawing more participation into school activities and putting school spirit on such a high level this year, Steve has carried out his campaign plans well.

But without the help and co-operation of the other officers, Dick Samson, Vice President; Louise Sayer, Secretary; Marcia Flaxman, Publicity Manager, these goals could never have been fulfilled. All of our officers have worked unceasingly to make this year an outstanding and memorable one.



STEVE PALMER, President

DICK SAMSON, Vice-President

LOUISE SAYER, Secretary

MARCIA FLAXMAN, Publicity Manager

RESPONSIBILITY OF LEADERSHIP

Peppy and popular were this years Songleaders, Betty Russell, Phoebe Hayden, Ellen Gail Nuffer, Bette Davis, Shirley Smallwood and Barbara Babson. The fine job they did will long be remembered by everyone.

Energy plus was what our yell leaders had this year. They did a splendid job of guiding our school spirit. This peppy group included Larry Stewart, Lois Mitchell, Martha Borchers and Ben Smith.

Sitting on the edge of our Senior Fountain in the Quad we find Delfina Velasco and Frank Valencia who are talking over the good times they've had in their Senior year in high school. Delfina recalls the job she had of being student director of the Hi Jinx skit, "Long Ago and Far Away." Girls' Council was another of her activities. Frank has played baseball all four years of high school, two years Bee football, and one year Varsity football. An industrial arts major, he belonged to Senators and Varsity Club. Delfina plans to work after graduation, and Frank will go to Junior College.

Wade Askew and Charles Canfield are adding another trophy to our already full case in the Administration Building. A Varsity swimming and water polo man, Wade has served as president of both the Varsity Club and Bible Club, and taken in some Cee football. Number nineteen on the Varsity football field, or just Charles around campus, also served as Bible Club President, as Junior Class Yell Leader,as member of Senators, and as city manager during Youth Week.

Nancy Philippi, as decorations chairman of the Girls' League turns in her report to Jo Ann Davis, Girls' League President. Besides attending Girls' League Board meetings twice a week, both girls found time to be Girls' Council members and are life members of the Scholarship Society. Nancy, an art major, has been Art Club President, G.A.A. Publicity Manager, secretary of the Scholarship Society, and member of Dance Club. Jo Ann was president of the French Club, attended Girls' State at Sacramento last summer, received the Daughters of American Revolution award for outstanding citizenship, and her special talent is singing.

On stage in five minutes! And these two drama students, Pat Adams and Dale Barringer, could be getting ready for Little Theater plays, Spring or Fall plays, Pasadena Playhouse contest, or Spotlight Revue. "The wide open spaces" and "Wish" bring recollections of Pat's contribution to our dramatic department. She has also served on class councils, on Senior Council as yell leader, and on Dance Club. Dale, besides being an actor of stage and screen, is a dancer, played clarinet and saxphone for four years in the school band of which he was president, was Bee football quarterback, three year Varsity tennis player, a Thespian, and twice an ASB Yell Leader.

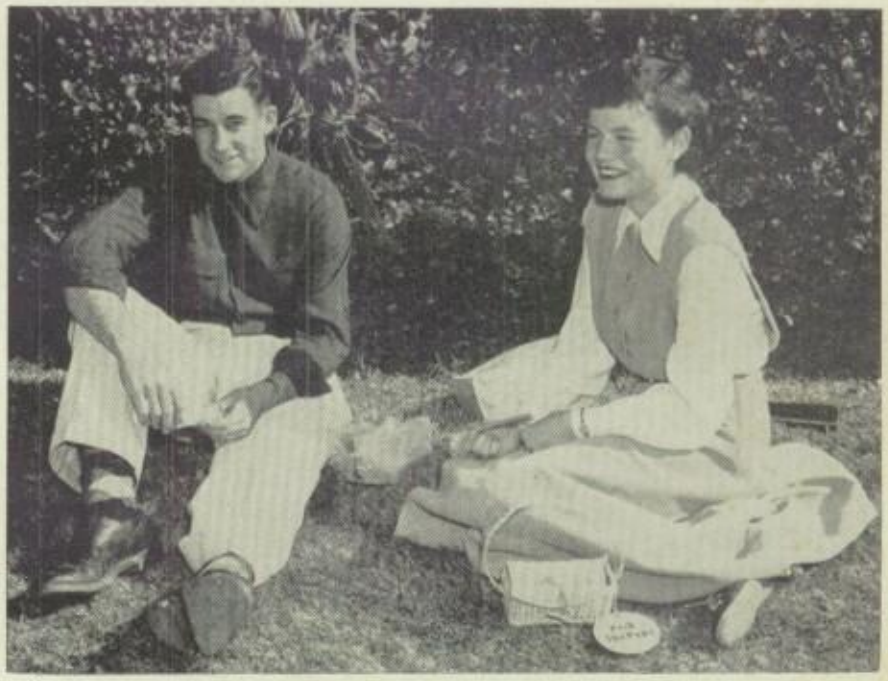
"Ready, set, let's go now! Signals, one, two - - -." Familiar words to our Varsity football co-captains, Gilbert Moreno and John McMurtry. And Gilbert ran himself up to position on the all CIF football team. Both boys played two years of Varsity football. John went out for three years of Varsity wrestling, and was vice president of both Varsity Club and Senators. Gilbert was also an officer in Senators. Science was the major of both boys. Gil plans to attend UCLA next year and John will go to college, too.



The lawn is as good a place as any to eat lunch, at least for Tom Long and Barbara Babson. Noon is the time for busy people like these to rest from studies, sports, and activities. For Tom has been captain of Cee football, played a year of Bee football, a year of Varsity football and four years of basketball, besides being Sergeant-at-Arms of Senators and majoring in Latin. Barbara has been secretary of at least four organizations among them French and Art Clubs, Scholarship Society, and Section 16 of CASC. A peppy ASB Songleader, she took charge of ads for the Cardinal Annual, had three years of G.A.A. water ballet, and is a Scholarship Society life member.

If you were looking for Marcia Flaxman or Alan Aldrich, it was always possible to find them in the Activities Office, their favorite haunt since both of them had a major in activities, one of our high school's best courses. Marcia, ASB Publicity Manager, was member of Pep, Latin and Spanish Clubs, Cabinet, Rep Board, class councils, Scholarship Society, and an officer of Science Club. And Alan was ASB Vice President, Sophomore Class President, ASB Finance Chairman, judge of Senators, played football three years, and attended Boys' State. As a drama major, he acted in many school plays, among them "Junior Miss" and "Death Takes a Holiday." And that's why you could easily find these two in the Activities Office.

A little April shower wouldn't keep Betty Russell or Ellen Gail Nuffer from continuing their round of classes and activities. These included: leading songs at games and assemblies as ASB Songleaders; working on class councils, Betty having been frosh Songleader and Junior Social Chairman (which meant taking charge of the Prom!); being members of Pep Club, Ellen Gail having been social chairman; taking part in Girls' Council, Betty as chairman; belonging to Scholarship Society, Ellen Gail as a life member; and participating on Rep Board, Betty being on Cabinet also as head songleader. "E.G." was Art Club Publicity Chairman, Betty had two years water ballet, and both were in Hi Jinx and Spotlight Revue.

"Tee talk" is going on between Bob McCallister and Jerry Johnston. And well it might, knowing that Bob holds the Southern California Junior Golf Championship, Montebello Junior Championship, and qualified for the United States opening. He played four and Jerry, three years of Varsity Golf, and both are members of Varsity Club. Jerry also played Bee and Cee football, was president of Fotometers, C & W staff artist and photographer, and member of Senators and Scholarship Society. He took part in Youth Week as City Attorney. Jerry and Bob plan to attend college, Bob going to U.S.C.

Sarah Coffin and Jon Schlemer are caught studying in the library. Of course they have to keep up those good grades, but just to prove that's not all they do, Sarah has been a capable Girls' League First Vice President, chairman of Girls' Council, vice president of both Junior class and Scholarship Society, and is a life member of the latter. She was also treasurer of Spanish Club and member of Dance Club. Jon has been on officer of the Senators and Latin Club, and has participated three years in the band, in Bee basketball, Pep Club, and as Fire Chief in Youth Week.

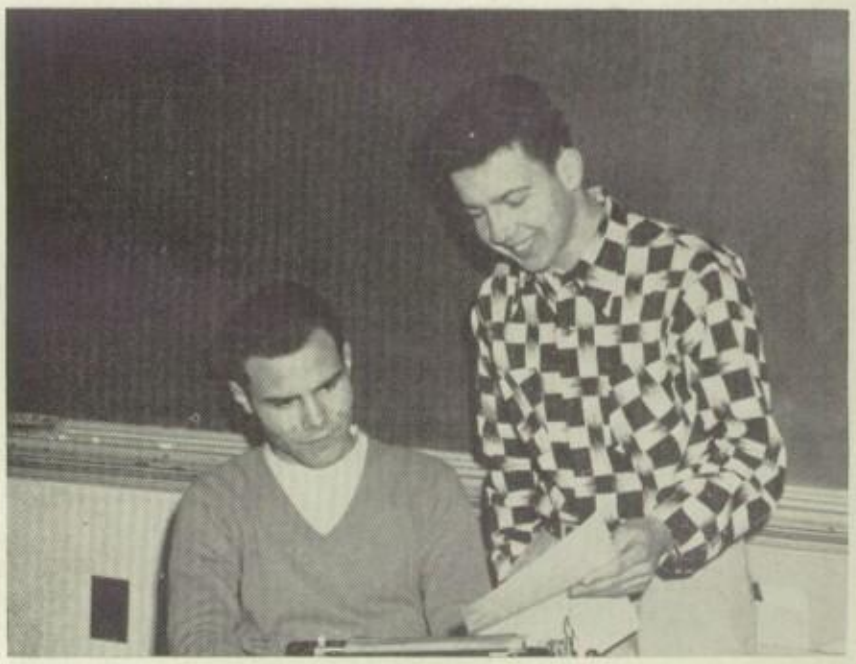
Lois Mitchell watches Martha Borchers knit while they sit on their favorite bench in the Quad. But don't get the impression that they always just sit! For these gals were two of our peppy, enthusiastic ASB Yell Leaders. Also keeping them on the run were meetings of Pep Club and Rep Board. Lois was member of ASB Cabinet and Scholarship Society and officer in Spanish Club. Martha had Publicity Committee, Cardinal Annual Staff, and G.A.A. water ballet to keep her busy, too. Dancing in Hi Jinx and Spotlight Revue was fun for both and another of their many contributions to the whole school.



There's always a deadline to meet on the C & W school newspaper staff, and here Jim Johnston, a two year member, helps Hervle Lowrey, the editor, to beat the deadline with the latest news. If it's the sports page they're writing for we might say that Jim has played two years Junior Varsity golf, and Cee water polo. Hervle was on the championship Cee basketball team and played J.V. and Varsity tennis. He was a Senator, member of ASB Cabinet, Rep Board, and Scholarship Society, attended Boys' State at Sacramento, and likes politics. Jim, a member of Fotometers, Bible Club, Letterman's Club, and the Junior Band, plans to attend Davis Agricultural School. Both boys majored in math.

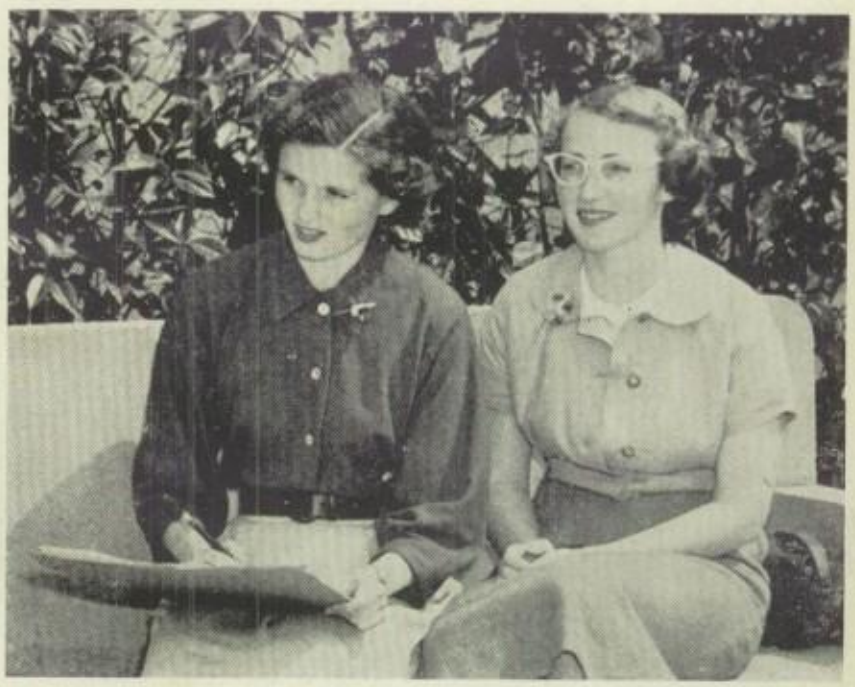
Here we find Ben Smith and Ann Pryor reading advertisement of the Spotlight Revue in which both of them have participated, Ben in the continuity and Ann in "Rockettes." Ann has spent much of her time in writing minutes for the Senior Council, the Spanish Club, the Publicity Committee, and the Rep Board. Majoring in home economics, Ann has also added her name to the long list of Scholarship Society life members. As captain of the Varsity tennis team, ASB Yell Leader, president of Senators, and secretary of Varsity Club, Ben has also served his school well.



Artist at work is Nancy Crozier and looking on is friend and critic, Nancy Jenks. The first Nancy majored in art and has been Art Club Treasurer. Besides her art work, she was second vice president of the Girls' League which meant directing the Hi Jinx and the Girls' League Dance, two of the biggest events in the school year. Holding office in Scholarship Society and Latin Club and serving on Girls' Council are other contributions she has made. The second Nancy also served on Girls' League Board as a songleader, taking charge of Hi Jinx script. She has taken part in Senior Council, G.A.A. water ballet, usherettes, World Friendship Club, and three Spotlight Revues. And to top all this off, both Nancys are life members of the Scholarship Society.

Hurry girls, you'll be late to class, or is it a Girls' League Board meeting you're hurrying to? Could be, seeing that Joanie Erreca was a Girls' League Yell Leader and Carol Wintz managed publicity for the same organization. Busy Joanie was twice an officer of the Spanish Club, president of the Pep Club, secretary of the Pep Club, the Publicity Committee, and the Girls' Council, the latter of which Carol was also a member. Carol worked on Annual Staff for two years, and served on Senior Council. Scholarship Society has claimed both girls as members, Carol being a member for life. Musically inclined, they have played often in piano-accordian duos.

As president and judge of Senators, Bert Tracy and Don Bachman might here be discussing activities of this active boys honorary organization. Or perhaps Bert, as president, and Don, as vice president of Senior Class are discussing graduations plans. They could be thinking of those Varsity football games they both played in, or even of the trip they made to Sacramento last summer to attend Boys' State. They were busy during Youth Week, too, when Bert was Dean of Boys and Don, Director of Recreation. Great "buddies," these two boys have been, and great contributors of their time and leadership to our high school.

It's "Annual Day" once more and Mickey Grensted shows Harriet Utley, the Annual Editor, one of the page layouts he made for sports section of the annual. It might be a picture of himself with a basketball in hand for Mickey was high point man of our championship Bee basketball team. He went out for Bee football and Bee track, too. Harriet, a life member of Scholarship Society, belonged to Dance Club, Cabinet, Rep Board, Student Council, was secretary of Debate Club, City Treasurer during Youth Week, and directed script for the Spotlight Revue. Both Mickey and Harriet plan to go to college next year.

At last the final night arrives and our Student Body President and Secretary, Steve Palmer and Louise Sayer, look happily toward the future. It's sure to be a bright one if they keep up their fine records made in high school. Louise has been an officer of the Junior Class, the German Club, and Pep Club, a member of Scholarship Society, and along with Steve, participated in Spotlight Revue continuity. A home economics major, she also placed in the Lions Club Speakers Contest. Besides presiding over Cabinet, Student Council, and ASB assemblies, Steve was twice a Varsity football player, attended Boys' State, and was member of Senators, Latin Club, and Varsity Club.

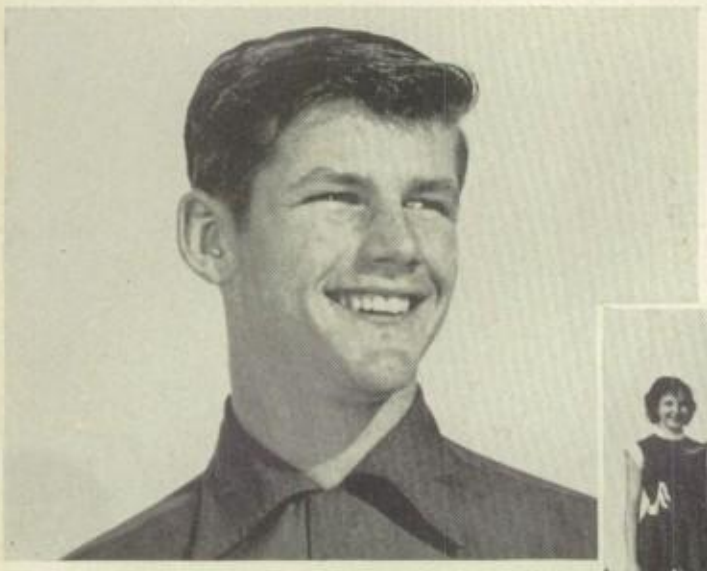
HERE WE ARE, THE CLASS OF "55"



President Bill Kirby

Freshman Class Council

Social Chairman Mary Philippi

For only one year here at Whittier High, the Freshman Class has made an outstanding showing. Under the able direction of President, Bill Kirby, and Vice President, Joe Gieke, who became ill early in the year, the largest freshman class in Whittier High history has been guided through a most successful year. Their ability was shown to all in the Fall by the Frosh-Sophomore Dance and in the Spring by their production of the Annual Freshman Talent Show. So here we are, the freshman class of 1955, its officers, its council and class members.

President Charles Holloway

Secretary Margie Moorhead

Vice-President Ola Horn

Under the direction of Charles Hollaway, Sophomore President, the sophomores made an outstanding record this year. The Frosh-Soph Dance, "Evening in Paris," was an evening of excitement and fun which proved the ability and ideas the Sophomore Class possesses. Truly these lowerclassmen have proved their worth and can look forward to their upperclassmen years with anticipation.

HERE WE ARE, THE CLASS OF "53"

The Junior Class has really made a name for itself this year. Sponsoring the Fall play, "Arsenic and Old Lace," the Junior Class did a fine job of promotion and brought out the largest Junior Play attendance in the history of Whittier High. The hard work of Sandy Butler, Social Chairman, and the other officers and council members made the Junior-Senior Prom, "Pirates Paradise," an outstanding and memorable event for the Seniors. From the play to the Prom here we are, the class of "53" ready to become "big-time" Seniors.

This year's Varsity football team got off to a slow start, but by the end of the season, Whittier High fans were witnessing thrilling football such as the St. Anthony game when Daryle Lawrence made a last minute touchdown, and the Monrovia game when school spirit rose to such heights that our team held the League champs to a 7-0 lead. Sparking the passing attack throughout the season was Bill Windham while the bulk of the running was done by Palmer, Boehm, Lawrence, and Valencia. Making holes in opponents' lines were Moreno, McMurtry, Bachman, Lyons, and Long. Backing up the line on defense were Canfield, Wilsey, Sawyer, and Carlisle, and end positions were well handled by Tracy and Stephen. Several boys made the All League Team and Gil Moreno was placed on the second string all CIF team.

It was a great season of which Whittier High can well be proud.

COACH MAC McLELLAN

The Bee Football Team presented us with the Pacific League Championship Trophy. This Team had a fine display of sportsmanship, spirit, and the will to win. The Coaches, Gene Wineinger and Orval McLellan put the boys through their paces during practice and they produced a winning team on the field. The Bees were led by Jack Taylor and Don Mead at half-backs and Dale Barringer at quarterback. The line was featured by co-captains Bill Piper and Rudy Reza, Richard Downs, Mike Zaragosa, Jerry Stanfield, and Mickey Machamer also turned in fine work. The highlight of the season was the defeating of Pasadena 18-7 to win the Championship of the Pacific Coast League. Nice going boys!

JUNIOR VARSITY HERE...

Impressive victories were made by the Junior Varsity footballers over Alhambra, Monrovia, Keppel, Pasadena, and El Monte to end the season undefeated. This team, the probable Varsity of next year, was lead to victory by such outstanding backfielders as Schmaltz, Schubin, and Daniels, and their captain, Russell Shute. Of course, it took the fine playing of the whole team to produce this championship team.

HERE, THE CEES DID WELL

The Cee Football had a very sensational year. Led by their fine Coach Art Hobson and Newt Robinson. The Cees won all but two games. These games were lost because of an ineligible player. This lost Whittier the Championship of the League. Leading the attack was the very capable tail-backs Bob Vandeventer and quarterback Jim Hickox. The high light of the season was when our Cee's beat Kepple 45-0. Prospects are very good for the boys making the jump to Bee. The following will make a name for themselves as Bee. Bob Bachman at half, Bill Berrows in the the line and Ralph Roche at half.

HERE, BASKETBALLERS WON PACIFIC LEAGUE CROWN

The varsity came roaring down the stretch after a fair practice season to take the League Championship. The Cards won all of their league games. The highpoint of the season being to come from behind to beat Monrovia 48-46 in the last quarter. The Cards' first game in the CIF playoff was lost 33-32, which was a real heartbreaker. The Cards were led this year by Joe Wolhmuth, Tom Long, and Don McIntosh offencely and Harley Bragg and Wally Horney on defense. The Cards had rough luck by losing Larry Stephens during the early part of the year. Joe Wolhmuth was the leading scorer in the Pacific League with Don McIntosh and Tom Long third and fourth. Joe scored 380 points to break Wayne Kropren's record. Wally Horney, the fine passing star and Co-captain had a lot to do with winning the title. Harry Davidson played great basketball before droping to go to a prep school. Hats off to the varsity for their fine showing this year in taking the Pacific League Championship.

Jack Taylor — Richard Mattson — Bruce Martin — Charles Holloway — Dick Beam — Charles Chapman

This year's Bee hoopsters ran up an impressive 26 game winning streak and had it broken by Pasadena. Later they won the League title from Pasadena in a play-off game. Among their victories they captured both the Excelsior and Bonita tournaments, breaking a scoring record in the latter with 97 points against Corona. Leading the Bee team in scoring was Mickey Grensted with 330 points. Other standouts on the team were co-captains, Daryle Lawrence and Alex Pina. All the boys saw action, however, as the Bees ran up one victory after another.

VARSITY RACQUETEERS TAKE LEAD

This year's fine varsity tennis team, led by co-captains Dale Barringer and Ben Smith, found itself on top of the league at the end of the first round. Playing some of the top teams in Southern California in practice matches the varsity lost only two matches to Santa Monica and one to South Pasadena. Boy Eyler has contributed much to the success of the team, winning ten out of eleven of his matches. The team as a whole has improved with every match and going into the second round they have an excellent chance of winning the league title.

VARSITY BASEBALL SHOWS PROMISE

The Baseball Team started out like a house of fire but somebody turned on the water. With good hitting and pitching, Coach Jack Mele's crew won three out of four games. Then the Horsehiders lacked either hitting or pitching and this cost them several games. Outstanding this year were Frank Valencia, Fred Bernal, Bob Lindley, and Pitchers Bob Zable, Joe Keltner, and Frank Lopez. The Cards had tough luck in a couple League games which didn't help the cause. This year's team had quite a few Juniors which will make up the nucleus of next year's team. Good luck in the remaining Pacific League Games, Coach Mele.

This year Coach Tom Phelan was fortunate in having such fine track athletes as Dick Nordstrom, Danny Schwiekart, Ronnie Coats, Bob Blair, and David Moore. The Varsity won four dual meets and sent four men and a relay team to the CIF Sectionals at Riverside. Dick Nordstrom was outstanding in the 100 as was Jerome Montgomery in the 880. Danny Schwiekart ran a creditable mile before dropping down to the Bee and then he ran a record breaking 3.22 in the 1320.

The Bees also won 3 and lost 2 in League Meets. Ronnie Coats tied for first in the Pacific League Finals. Other fine performers for Coach Mac McLellan were Jim Rotheramal, Larry Dowdy, Ned Martin, Mick Machamer, and Mickey Grensted. The Bees also placed four men in the sectionals.

Whittier's gallant Cees tied for the League Championship by losing their last League Meet. The Cees were coached by Stan Cramer. Such stars as Bob Blair in the 100, Bob Van Deventer in the pole vault and 180. David Moore who broke the League record in jumping 5'7" in the Cee high jump. A lot of praise should be given these boys for their fine showing in track.

The Whittier Union High School swim team had a very successful season in the year of '52. The H_2O men started off the season with a bang taking all the schools in all divisions except El Segundo.

We must comment on the swim team for taking third in Varsity CIF, first in Bee CIF and second in Cee CIF play.

Little has been heard about the W.U.H.S. divers and their coach, Hap Waer, who has turned out CIF champion divers since 1948. With swimmers like Jack McNees and divers like Bob Sinclair, the team has stayed on top and will continue to do so.

Varsity golfers participated in a new CIF League this year. With Bob McCallister, Roger Nicholson, and Jerry Johnston, first, second, and third men on the team, they took matches over Compton and Orange and tied Monrovia. The boys also participated in the CIF individual tournament at Montebello and CIF team finals at Long Beach. They have made a good record for our school.

Whether she likes tennis, volleyball, swimming, badminton, baseball, or basketball, every Candy can find fund in athletics in Whittier High's Girls' Athletic Association. But there are many other activities besides sports sponsored by the organization. Most important of these are a Mother-Daughter Pot Luck and a Dad-Daughter Volleyball Night held each year. At the annual Banquet, awards are made, the highest one being the four-year award for participation in three sports every year. A letter may be won for playing in ten sports. G.A.A. offers much fun along with goals to work for.

DYNAMIC CARDINAL DRILL TEAM

The 1951-52 Cardinal Drill Team rounded out the most successful season of their career with halftime participation at all of the Varsity football games. Working with the Cardinal Band, the Drill Team performed many clever and different formations with a definite theme for each game. A few of the most outstanding stunts were the formation of the Cardinal Seal and the merry-go-round. With their red dresses and white pom-poms, the 52 members of the Drill Team were a group for the Student Body to be proud of.

BUSINESS LEADERS OF TOMORROW

All Candys and Clarences had the opportunity to buy a Cardinal Date Book in which to keep track of their many dates and activities. These books were produced and sold by the one hundred members of the Future Business Leaders of America. Members of this organization furthered their knowledge of business by having field trips to Occidental Insurance Co., So. California Business Show at the Biltmore Hotel, Associated Telephone Co., and Conferences at various schools. Along with these educational activities, members enjoyed a Christmas party, a talent show, and a Sadie Hawkins booth, to round out a successful year.

Publicity Committee preparing signs for school activities

Here we are with those who have provided publicity plus for this years Cardinals. Under the direction of energetic Marcia Flaxman, this years A.S.B. Publicity Manager, the committee has worked overtime publicising school events throughout the year. They publicized not only big events such as Spotlight Revue, Sadie-Hawkins Carnival, and Football and Basketball games but played up many of the minor sports and smaller school events. By doing such a thorough job of publicity, the committee has encouraged many more of the students to take part in school events.

Not only has the dance club spent long hours decorating, but they have done much toward increasing the participation at the dances.

ART CLUB

Whittier High School's Art Club Students

Here we are with the Candys and Clarences interested in art. Throughout the year, movies and speakers have provided the art club with both informative and interesting meetings. The artists have had an extremely busy year, in February for the 4th year their "Shmoo Juice Inn" capped the sweepstakes prizes, and in April they sponsored their very successful annual art exhibit which gave both students and teachers a chance to display their artistic efforts.

HERE WE CARRY A TUNE

The two Cardinal choral groups, the Glee Club, and the Choir have given much musical enjoyment to the Candys and Clarences of Whittier High. Some of their performances included the Music Assembly, Southland Song Festivals, the Christmas Pageant, and the Spring Concert held in May. Not only have the Choir and Glee Club increased their knowledge and interest of music, but they have provided many pleasant moments for the Whittier students.

They also played for the Halloween parade, "Back to School" Night, Spring Concert, and Commencement. This organization under Mr. Allen Clark won a cup at the Fullerton Festival. On April 26 our Cardinal Band won superior rating at the All Southern California Music Festival in Santa Monica. Comments were made that our band was the "nicest looking band" there. A great deal of thanks should go to all the guys and gals in our Cardinal Band for providing us with a terriffic year. DIRECTOR: Allen Clark. Drum Major: Walter Barrows. Color guard: M. Stinson, F. ORCHESTRA

Providing musical enjoyment for all Candys and Clarences at Whittier Union High School is our Orchestra. They have played for many occasions such as the Christmas Program, Instrumental Assemblies, Spring Concert, and Baccalaverate. In addition to these programs these students played for both the Fall Play and the Spring Play. At the Music Festival in Monrovia March 22, this group was voted the "finest organization present". Superior plus rating, seldom attained, was received by our orchestra.

Their annual Christmas Party was a huge suc cess. Entertainment there included the Siewart-Barbour Boys Choir and Bob Starkey, a magician.

Personalizing all day suckers kept many Cards of this organization very busy at the Sadie Hawkins Carnival, while other members spent several days selling candy and cake, the profits of which were used to purchase choir robes.

HERE ARE THE CARDINAL THESPIANS

"Curtain going up" is a much anticipated phrase to these students who have worked hard on the drama productions of W.U.H.S. This year's activities ranged from their make-up booth at the Sadie Hawkins Carnival to participating in the one act play tournament at the Pasadena Playhouse in which they won high acclaim for their entry.

Many hours have been spent memorizing lines and rehearsing, but the profits are great when one attains the honor of being a member of the National Organization of Thespians.

HERE ARE THOSE WHO AID OTHERS

For two days, known as "Luggage Days," the Candys and Clarences of Cardinaland became porters. This was only one of the ways in which the Junior Red Cross Council campaigned for funds to purchase supplies for a school chest to send to foreign students. Members of the Council also served as Junior Aides at the Murphy Memorial Hospital. They are a group of hard working girls that WUHS may well be proud of.

At last the dream of many Cards and Cardettes has come true—a Forsenic Society has been formed on the Cardinal Campus. The aim of this organization is to promote a better understanding of the world situation and school problems through objective discussion and debate. Even though in its infancy, this club looks ahead to great accomplishments and school service.

FALL PLAY—ARSENIC AND OLD LACE

G. Gregory, J. Wilson

L. Smith, R. Lindval, K. Bruce, R. Mankin, D. Martensen.

"Arsenic and Old Lace," this year's fall thespian production, will take its place among the best of Whittier High's theatricals. Presented by the Junior Class and directed by Dana Winters the story capitalizes upon the adventures of two beloved spinsters who discover that their nephew, a fugitive from justice, is attempting to convert their peaceful dwelling into a quack plastic surgeon's operating room. Among those giving outstanding performances were Karen Bruce and Lee Smith as the spinsters, George Gregory as the drama critic and Rob Lindvall as Teddy Brewster. However, all the cast did a tremendous job of handling a prize winning production.

Bringing a new type of play to the Whittier High Stage, this year's Senior Class Spring Play was entitled, "Death Takes a Holiday." The story was set in a castle in Italy, where "Death" makes a three day visit posing as a prince. Portraying "Death" was George Gregory, senior, with junior, Suzie Wile co-starring in the part of Grazia. The entire cast may be complimented on their fine presentation of the play.

CHRISTMAS PAGENTRY

The combined talents of the Glee Club, Choir, Modern Dance Class, Drama Class and Orchestra gave to all Whittier students this years inspiring Christmas pageant. Against a story background of a boy and girl signing Christmas cards for their friends, the musicians, dances, and carolers, presented the traditions, legends, and stories of the Christmastime season. EXCELLED IN THEIR STUDIES

The Candys and Clarences who are "brains of the crowd" have opportunity to become members of the honorary Scholarship Society by acquiring ten grade points at the semester. As members, they are privileged to wear the pin of the organization, attend a field trip, which first semester was a visit to Huntington Library and second semester was attendance at the annual convention at Redlands University, attend the annual banquet honoring life members, and hear several speakers at regular meetings. Membership in such an organization is something for which every Candy and Clarence should strive.

SPANISH CLUB

Led by its capable officers, the Spanish Club has just completed another year of fun as the largest club on campus. A fiesta at Christmastime included the traditional breaking of the pinata, and the club again made their annual field trip to witness the play at Padua Hills. Many will remember the delicious tacos they bought at the Spanish Club's Sadie Hawkins booth. Along with all other language clubs, the Spaniards presented entertainment traditional of Spain for the Frieburg "Carnival Around the World." Membership in this club has added a great deal to the study of Spanish for all who have participated.

Officers: J. Totah, F. Savery, C. McCallister, D. Hall, Advisor Mr. Avila.

FRENCH CLUB

A touch of Old New Orleans came to Whittier High in the form of the French Club's annual Mardi Gras. This pre-Lenten festival provided entertainment and games much enjoyed by those attending. Under the supervision of President, Dick Hall and adviser, Mr. Avila, the officers planned programs and meetings which provided fun for all members.

THE ROMANCE LANGUAGES

LATIN IS ALIVE FOR THESE

LATIN CLUB

Latin Club is one of the biggest and liveliest clubs on campus in spite of the fact that it is composed of students of the dead language. Highlighting the year was the annual Roman Banquet when all these Candae et Clarenci went back in the ages to become toga wearers and slaves, to eat with their fingers, and to enjoy "vinum bonum." The Christmas party included an initiation of all new members done in good Roman style. Of course the club didn't miss "Quo Vadis", and it heard Miss Barbara Root and Miss Helen Crowell speak on Rome. Added to these activities were participation in the Frieburg Festival and Sadie Hawkins Carnival. A year of good fun enjoyed omnibus. Vale!

GERMAN CLUB

The purpose of the German Club is to acquaint the students with the culture and life of those people who speak the language as their native tongue. They have been doing this by attending a motion picture, having a Christmas party, and having a traditional banquet where German food is plentiful. They also sent CARE packages to six needy people of Germany, and did a German folk dance at the "Carnival Around the World."

THEY REPRESENT EACH ONE OF US

Student Council is the meeting place of the representatives of every Candy and Clarence of Cardinaland. One student from each basic course class is elected and participates in council discussions at meetings held once a month. Some of the more important discussions concerning the student body this year were conduct at Balboa during Easter vacation, problems concerning the new El Rancho High School, school spirit, and improvement of assemblies. Student council represents true democracy in our high school life.

THEY SEEK THE MASTER'S WORD

To learn more about the Bible and to interest others on the campus about what they have learned is the goal and purpose of the Bible Club. Every Thursday morning, about 85 voices, singing choruses and hymns, can be heard issuing forth from Choral Hall where Bible Club is held. A guest speaker is heard at each meeting too. One of the main projects of the club this year was to sponsor a movie, "Hidden Treasures," which was shown to the entire student body. Whittier Hi is proud of its Bible Club and hopes it will grow and remain.

BIBLE CLUB

THEY PROMOTE WORLD FRIENDSHIP

The only requirement for membership in the World Friendship Club is a wish on the part of any Candy or Clarence to advocate friendship and understanding among countries of the world, for that is the club's main purpose. So here we are with the organization that acted as Whittier High's agent in adopting a French war orphan, participated in the Frieburg Carnival, attended the Spring Convention, and held a special meeting for the student body during United Nations Week. Certainly it has been an active club in carrying out its high ideal of spreading friendship.

FREIBURG COMMITTEE

Many lucky Candys and Clarences have had the pleasure of exchanging letters with students of ou sister school in Frieburg, Germany. Others have sent Christmas greetings on cards made up by members of our Frieburg Committee which is largely responsible for the good will which goes back and forth between the two schools on opposite sides of the globe. The most important event of the Committee this year was the "Carnival Around the World" in which all language clubs and the World Friendship Club participated with skits and dances. Members also attended a convention at Garfield High and a luncheon at which they heard a talk by a representative of the American Friends Service Committee.

MAKERS OF THE YEARBOOK

HARRIET UTLEY, Editor *PAUL GARDNER, Advisor*

Without these guys and gals, you would not be holding this book in your hands. But here YOU are with the result of a year's hard work on their part to present you with the memories of high school you will always cherish in your "Cardinal '52". From the first rough drawings of page layouts until the last words of written copy, Candy and Clarence have been real members of the annual staff and of Whittier High because they are representatives of all the students whom the staff comes in contact with in putting out our yearbook.

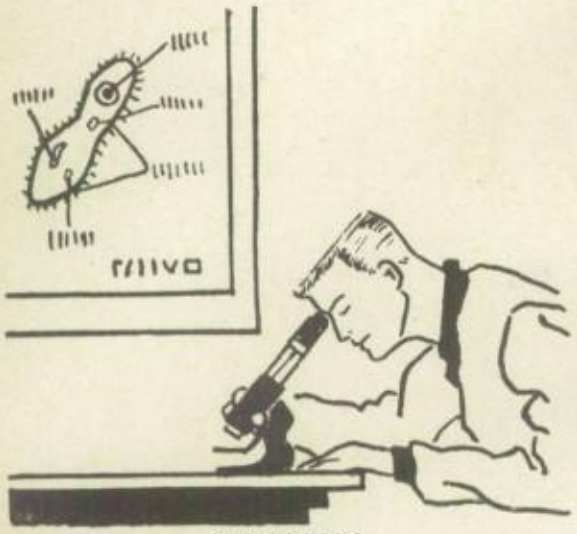
HERE ARE THE SCIENTISTS

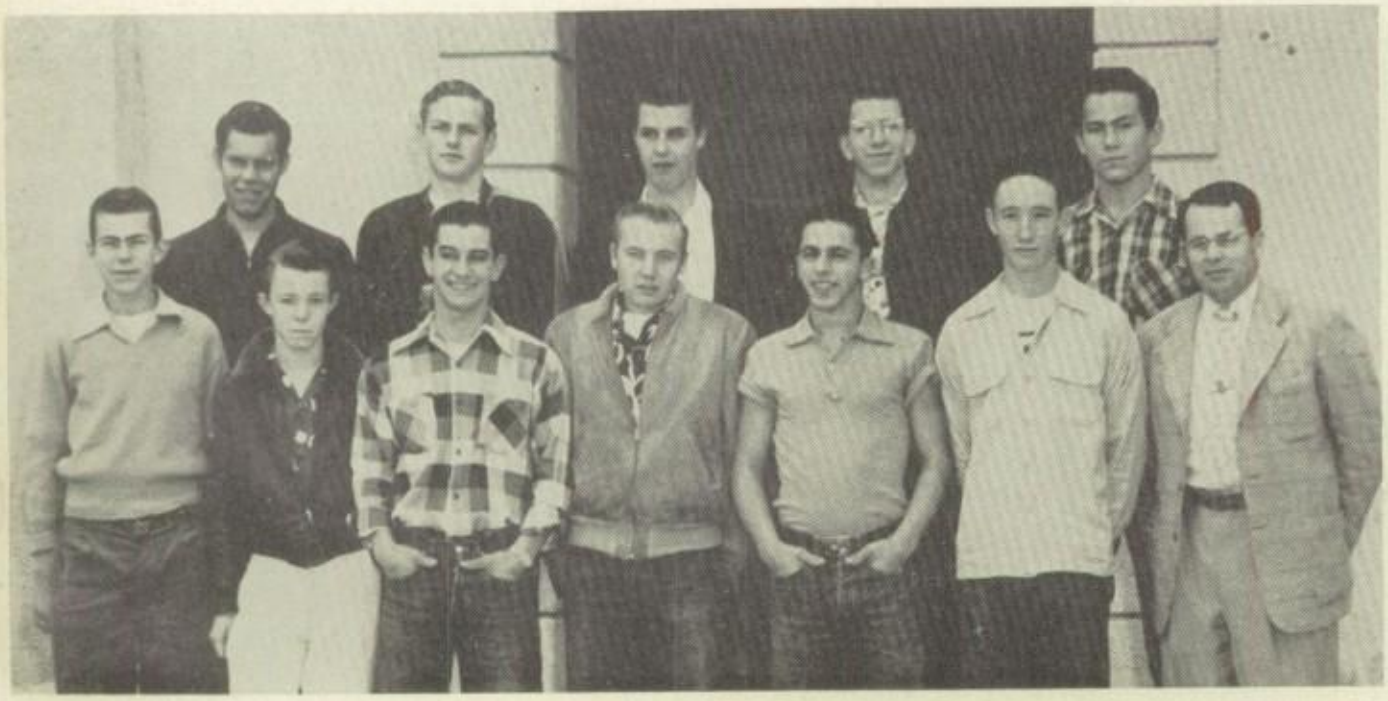


EXPERIMENTERS

Officers: B. Rieniets, H. Ried, H. Bragg, C. Course, W. Bisbee, J. Harter, J. Butcher, M. Bell.

Science, a field becoming more and more important in the world today, is in like manner becoming important to more students at Whittier High. Hermosa Beach Aquarium and Kaiser Steel Co. were destinations of the Science Club on their field trips this year. Otherwise furthering their knowledge of science in this practical manner, the club heard a speaker from the California Department of Fish and Game, and several students spoke on various phases of the world of science.

THEY COMBINE PLEASURE AND



ALWAYS WORKING HARD

Officers: Larry Kite, E. Wilks, Advisor, Mr. Moores.

F. F. A.

These boys are what their name implies, the Future Farmers of America. But they are Clarences just the same and they have brought fame to our high school by bringing home awards from fairs, a State judging contest at San Luis Obispo, a Co-operative Marketing contest, and a Parliamentary Procedure contest where they became East Los Angeles County Champions. A Parent-Son Banquet highlighted the year. The boys also enjoyed trips to L.A. County Fair, Orange County Fair, Pierce College of Agriculture, and California State Polytechnic College. With all these experiences behind them, they should go far toward their goal.

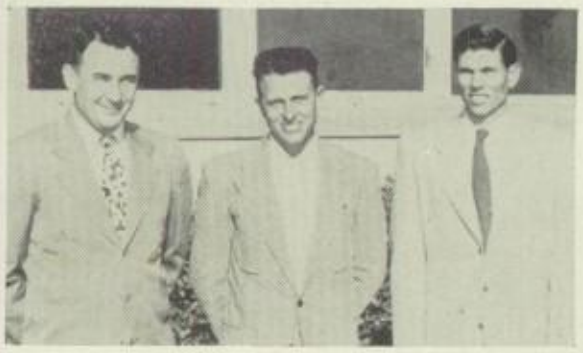
AND PHOTOGRAPHERS OF WHITTIER

PHOTOMETERS

Competition is keen throughout the year as far as the Photometers are concerned for once a month they may enter their prints in a contest. Points are awarded and at the end of the year the top point photographers receive trophies. Their field trip took them to Fish Harbour, and Catalina terminal to get some good "shots." They held a display of the winners of the National Eastman contest for high school students. So, with flashbulbs and negatives, they have won their fame.

Officers: C. Hohnston, R. Davis, Advisor, Mr. Hemmerling, D. Douglas, B. Tibbetts, C. Consintino.

PREPARATION FOR THE FUTURE



Advisors, Mr. Austin, Mr. Lean, Mr. Marshall.

I. A. C.

Industry, one of the biggest forces in America, is of vital interest to the Clarences of the Industrial Arts Club. To further their knowledge of this field, the members made plant inspection trips to the Aluminum Co. of America, Union Pacific Railroad Shops, and Kaiser Co., Inc. The main event of the year was their annual open house when outsiders had the chance to view the work and equipment of the boys. This organization represents a group who are not only thinking of their future but who are working actively toward it.

BUSINESS MANAGER Alan Aldrich

The job of preparing, selling, and receiving tickets for admission to all activities at W. U. H. S. lies in the hands of the Finance Committee. This year Alan Aldrich presided with Mr. Lewis as adviser.

Some of the activities at which the Candys and Clarences of the Finance Committee helped out were football games, basketball games, and the Spotlight Revue. To you, the Finance Committee, we say a job well done!

C.O.R.S.

Many students and faculty members do not realize what C. O. R. S. stands for. The work of the Cardinal Ordinance and Reception Service group usually goes unsung for their activities are varied. These Candy and Clarences are guides on different occasions such as "Back to School Night". They are on call for any job to be done, and often they acquaint new students with the school. This group along with its adviser, Miss King, are a valuable asset to Whittier High.

ROW 1: C. Cosentino, M. Larson, P. Pooler, J. Rees. ROW 2: S. Wilson, P. Farley, S. Christy. ROW 3: J. Liniewicz, J. Ohlson, B. Louderback, G. Gray. ROW 4: K. Johnson, I. Bee, D. Wekall, A. Secrest. ROW 5: Advisers Miss C. Chaffey and Mrs. F. King.

C.O.R.S.OFFICERS: Sue Dibilks, Publicity Chairman, Dorothey Wekall, Secretary. Not pictured: Charlene West, President, and Karen Johnston, Vice President.

STAGE CREW

Heads up! Dim the boarders! Those are just a few of the phrases used by those who work behind the scenes.

This year Mrs. Korf and her group have set the stage for the Hi Jinx, Spotlight Revue, Fall and Spring Plays, and many other programs put on by the school. Each member of this year's Stage Crew should be commended for providing smooth running productions for every Candy and Clarence at W.U.H.S.

ROW 1: J. Harwood, K. Young, G. Bennett, J. King. ROW 2: Mrs. Korf, W. Gray, J. Wilhelm, J. Kimmel, N. Griffin, L. Hemaver, M. Allen. ROW 3: J. Bickel, H. Meer, J. Neville, J. Massengale.

USHERETTES

The Usherettes are a group of Candys who have been chosen from a sign up list to serve W.U.H.S. when a program is presented in our auditorium.

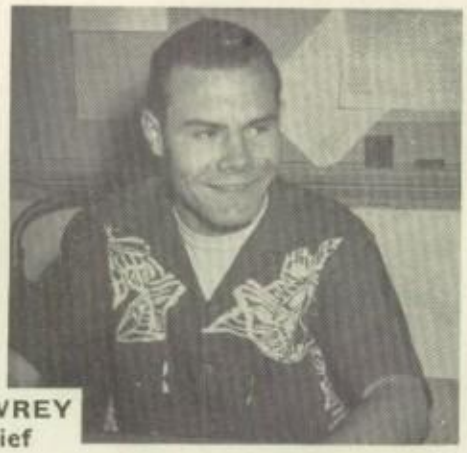
They plan an annual field trip. This year they went to see the Judy Garland Show. It was enjoyed by all.

These girls, along with their adviser, Mrs. Throp, should be praised for the many hours they spent serving both the high school and the community.

ROW ONE: M. Torres, A. Haslet, O. Horne, B. Rath, E. Roberts. ROW TWO: J. Maley, J. Rivera, D. Encinas, C. Scaggs, N. Jenks. ROW THREE: D. Cramer, M. Shirk, M. Behrendt, D. Tedrick, J. Lindgren, R. Scraggs. ROW FOUR: B. Ciocca, A. Voight, M. Mason, K. Reese, G. White, Mrs. Throp, adviser.

CARDINAL

Whittier Union High School



HERVLE LOWREY
Editor-in-Chief

LYNN RANDALL

Hervle Lowrey, editor-in-chief of the Cardinal and White, has been a member of the staff for three years. It has been his job this year to supervise the publication of the student weekly. This has entailed many hours of after school work. Hervle has also had the duty of reporting on the progress of the staff and its various activities to the Rep Board once a month.

JERRY JOHNSTON
Staff Photographer and Cartoonist

For the first time in the history of Whittier Union High School, the composition work of the Cardinal and White, weekly student publication, has been done in the Cardinal Print Shop. This work has been handled by Mr. F. C. Van Velzer and Hugh Gregg. The newspaper is under the supervision of Hervle Lowrey, editor-in-chief, and Mr. Hank Litten, adviser.

Each reporter has the opportunity to learn more about journalism by accepting the editorship of one or more of the pages, as periodical changes are made in the page staffs.

Some of the duties of staff members and Cub Reporters include covering activities of school clubs and organizations, writing news stories and features, reading copy, assisting in the print shop, and reading proof.

Teaching 60 students the arts of journalism is a very difficult job. But teaching these students and handling public relations for Whittier Union High School are but a few of the duties of Mr. Harold H. Litten. "Hank" as he is known to the students has written stories about the school and school activities for eight outside publications while acting as Cardinal and White adviser and teacher of the cub reporting class.

JEAN FRODSHAM

As was the practice last year the production and sale of the football programs, the "Cardinal Goalpost", has again been handled by the C and W Staff. This year the staff has added the "Cardinal Backboard", a basketball edition, to its list of sports programs. The cub reporters have helped the staff members in many ways. The cubs have been in charge of the "beat" system, have aided in society reporting, and have been in charge of program and paper distribution. Many Cards and Cardettes have appeared as models in the C and W advertising program, through the work of Business Manager Donna Tedrick.

Adviser Mr. L. Avila with 2nd Semester Officers: C. Canfield, B. Smith, A. Aldrich, S. Gothold, G. Moreno.

SENATORS

Always interested in high standards for the general behavior of all W.U.H.S. boys on campus, the Senators this year have kept a watchful eye on the male conduct at all times. Advised by Mr. Louis Avila, this group is chosen because of high individual standards scholastically and from the standpoint of leadership. At bi-monthly and special meetings of the Senators, violators of written and unwritten school rules were brought before the boys and their cases considered.

VARSITY CLUB

The Varsity Club, in its second year, was kept active this year with many events. They sponsored a paper drive. Also they put up their traditional "Kangaroo Court" booth in the Sadie Hawkins Carnival, with all the members acting as sheriffs.

Under the capable advisers, Mr. Art Hobson and Mr. Stan Christie, with Wade Askew as president, the Varsity Club planned the annual Letterman's Banquet. All who attended enjoyed this affair.

Officers Lee Smith, Adviser Mrs. H. Cumberland, Kathy Boucher, Sarah Coffin.

GIRLS' COUNCIL

Composed of eight junior and twelve senior girls, the Girls' Council works toward furthering a friendly spirit throughout the student body. Their major activity is the Big Sister Project through which each girl who is new to the Cardinal campus is introduced to several of her prospective classmates.

Members of this honorary organization are selected on a basis of scholarship, leadership, and citizenship and have authority to enforce any regulation for the betterment of student activities and welfare.

ROW 1: Lee Smith, E. G. Nuffer, S. Coffin, N. Harder, A. Weck, R. Lagunas, P. Kiger. ROW 2: C. Wintz, E. Davis, B. Morgan, J. Davis, S. Smallwood. ROW 3: C. Whittaker, K. Boucher, N. Crozier, Mrs. Cumberland, S. Wile.

GIRLS' LEAGUE BOARD

The thirteen girls who served on the Girls' League Board this year helped to plan many events for all you Candys at Whittier High. Guided by the capable hands of Girls' League President Jo Ann Davis, and Adviser Miss Macdonald, this group made successes of such activities as the Hi Jinx, Girls' League Dance, and special assemblies for "girls only."

May all the Candys and Candys-to-be have as efficient an organization in the future as we have had this year.

LEFT TO RIGHT: J. Erreca, N. Philippi, C. Miller, P. Butler, C. Wintz, S. Coffin, J. Davis, Adviser Miss Macdonald, J. Brown, E. Davis, K. Bruce, N. Jenks, M. Bell, N. Crozier.

The entire production was under direction of Miss Marjorie Jones and Carolyn Miller.

AND HERE WE ARE CAVORTING SADIE HAWKINS

At 8:00 A.M. on Thursday the Boys' Gym was bare and empty. At 10:00 Friday morning the gym was bare and empty. But in between these two hours a complete transformation took place in the form of the annual Sadie Hawkins Carnival which celebrates the Li'l Abner—Daisy Mae race. During this short time, thirty-three game, amusement, and food booths were built by students. In charge of this huge operation were Marcia Flaxman and Bob Rieniets along with their adviser, Mr. Newton Robinson.

The Carnival was followed by a dance which included the hilarious Kangaroo Court and announcement of booth prize winners. Taking sweepstakes for the fourth consecutive year was the Art Club for its "Schmoo Juice Inn."

The Cardinal Auditorium Committee throughout the year at our assemblies has served the student body well. These boys, guard the doors, prevent congestion in the aisles and foyer and generally provide for the safety and comfort of the Candy and Clarences of Whittier High.

Hard at work on Carnival Day.

AT THE ANNUAL CARNIVAL AND DANCE

"Concensus of opinion is that this year's Carnival was the best ever due to the number and variety of booths," was the statement of Mr. Robinson, adviser.

Only one question remains, brought about by a horrible tragedy which occurred in Dogpatch recently when Li'l Abner married Daisy Mae. What will happen to Sadie Hawkins Day next year? Will Whittier High gals still be allowed to drag their favorite fellas to this gala affair?

ROW TWO: Bob Brown, John Campbell, Bob Romick, Teddy Simmes, Richard Klein, Bill Spitz.

The Whittier High School Radio Club is primarily designed for boys who are interested in amateur radio and the obtaining of amateur radio licenses. Activities of the club include the learning of the International Morse Code, and obtaining a working knowledge of electronics. The ultimate goal of the club is to get enough boys who hold amateur licenses so that the club as a whole will be eligible for a station license.

HERE WE ARE

IN ADS

DON'T MOVE—You don't even have to get out of the car to have a delicious snack at one of the PICNIC DRIVE-INS. Sally Durrett, Elaine Stanfield, Bonnie Hicks, and Margie Nelson especially enjoy the Picnic's car service after a long day at school.

THE DOMESTIC TYPE—Sandra White and Margaret Weaver enjoy cooking in their new Revere Ware pans from FARMERS' HARDWARE. Don Bachman and John McMurtry seem to be quite interested in what's going on. (Or maybe they're just hungry!)

THIS IS THE LIFE—No homework for us; we'd rather watch T. V. say Louise Sayer, Francois Pellissier, Gerry Palmer, and Clyde Sedgewick, as they view their favorite program on a television set from K. D. MILLER ELECETRIC.

LET ORIN NOWLIN'S DO IT—They really do a great job of removing that troublesome spot or smudge. This is the opinion expressed by many cards including Janet Brown, Eddie Smith, and Clark Smith.

I'LL TAKE THIS ONE PLEASE—That's what Neville Bennett, Jon Schlemer, and Mike Drake would like to say. Even Marilyn Garrick, Nada Bowen, and Joan Enz wouldn't mind having a new Packard from PACKARD-WHITTIER INC.

WHAT A CATCH—for the photographer is this pose of Yvonne Sweeny, Joanne Turner, and Jean Romano in their darling cottons from MYER'S. The "Nancys" (Nancy Philippi and Nancy Crozier) choose this one.

JACK'S

LET'S STOP AT JACK'S___These words are often heard around W.U.H.S. Dorothy Eaton, Charles Chapman, Bev Bruen, and Dick Ferguson usually stop at JACK'S BEVERLY, while Romona Zaragosa, Richard de la Rosa, Katie Vicuna, and Frank Valencia would rather stop at the SALAD BOWL. Linda Fishbach, Jimmy Winford, Sharon Feltner, and Monty Reynolds are shown in JACK'S UPTOWN where they have stopped for a snack after school.

EARLY BIRDS—All set for an early start! (But, who wouldn't be with a new Mercury from URICH-GIBBS.) Lou Ann Ehrich, Maureen Moriarty and Ann Peel seem to be the slow pokes, but they better watch out or they'll get left. Martha Borchers, Dot England, Harriet Utley, and Carolyn Miller are ready to leave for the beach.

"THE CLOTHES MAKE THE MAN"—Especially if those clothes are from HILL'S CLOTHIERS. Wally Oates, Jack Pickering, Chuck Holloway, Don Deathridge, Bob Walker, and Watty Babson seem to agree that Hill's clothes can't be beat.

SHOES AND SMILES—Jackie Pelton, Chuck Canfield, Maude Lesh, and Bert Tracy's smiles are bright to match their shoes from EARL DOUGLAS SHOE STORE.

WILL LIL' ABNER ESCAPE THIS HORRIBLE FATE?—Jan Hoffman and Ned Loomis can hardly wait to get the Los Angeles Times to find out what will happen in their favorite funnies.

TIME OUT FROM STUDIES—Dorothy Courtney and Bob Zabel were tired of studies and school books so they decided to stop at the WHITTIER BOOK STORE and find something different to read.

SNAPPY FOR SPRING AND SUMMER—Are these dresses from TIBBETTS. Gil Moreno seems to approve as Lois Mitchell shows him her new outfit. Dick Hall has just told Polly Kiger that she looks very nice in her dress.

WE LOVE A PARADE—A. S. B. Songleaders, Barbara Babson, Bette Davis, Phoebe Hayden, Ellen Gail Nuffer, Betty Russell, and Shirley Smallwood, are always ready to ride in a parade, especially in a new Oldsmobile convertible from HARRIS MOTORS. Bob Rieniets seems to be enjoying his position as official chauffeur.

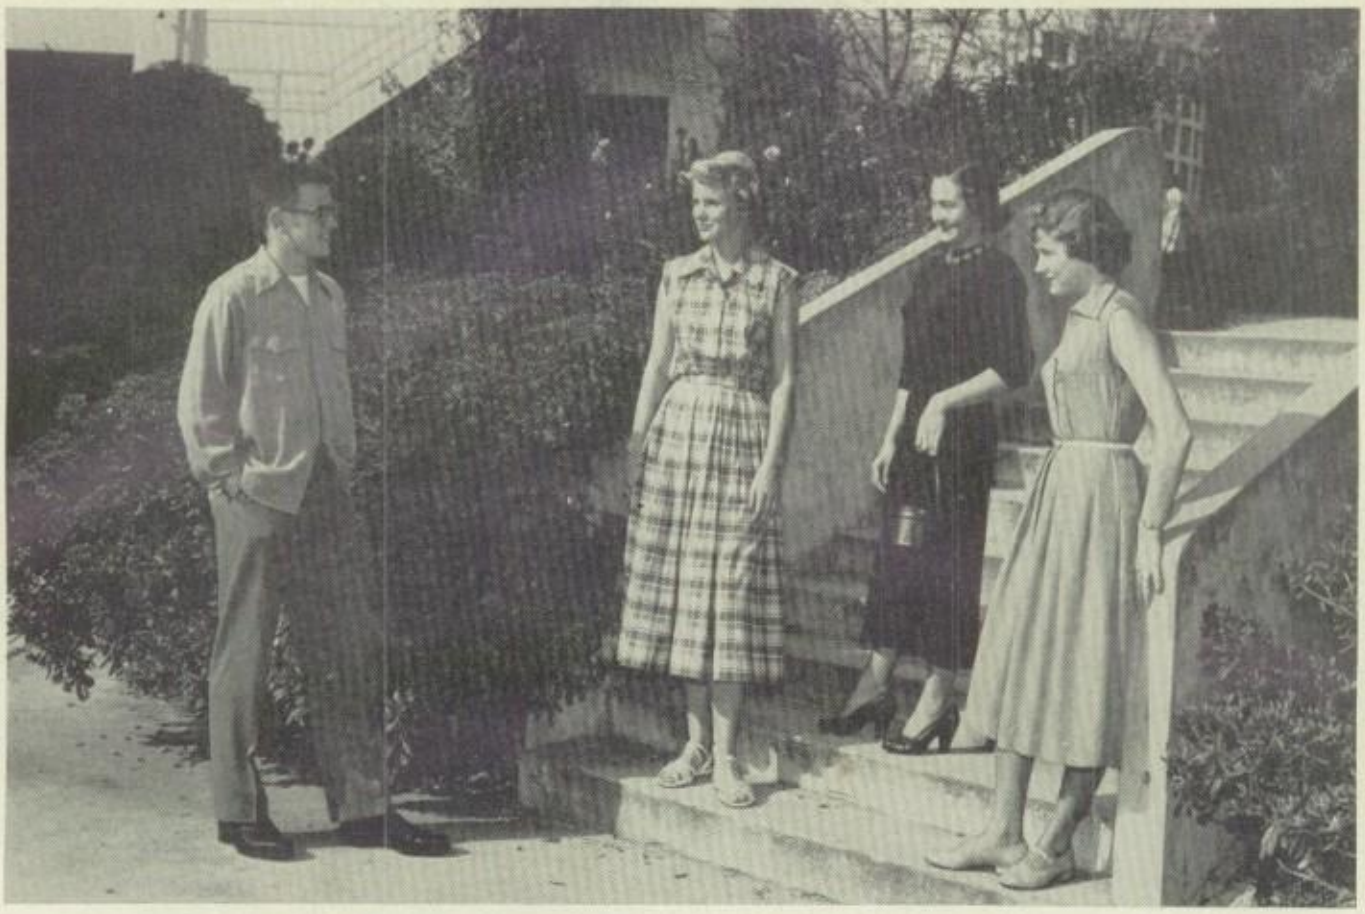
LET'S HAVE A PARTY—Carol Mikelson, Harley Bragg, Pat Rogers, and Charles Course are well prepared. Stopping at STUART'S, they found a complete selection of party supplies.

"I WANT IT, JOE!"—We hear Phyllis Russell say to Joe Keltner, as Mr. Barton shows Phyllis, Joe, and Joe Wolmuth a camera from the show case in the camera shop at BARTON'S.

LET'E SEE—Which will it be? Divine or Intoxication? Lucille Fisher and Dot Heydenfeldt can't seem to choose between these two popular perfumes by D'Orsay, which they discovered in HILL'S PHARMACY.

COULD IT BE SKI INSURANCE?—No not this time. Mr. Brand of F. WARDE BRAND INSURANCE is busy explaining a life insurance policy to Mildred Bell and Bob Hamilton. Having made a study of insurance in senior problems, Mildred and Bob know that it is a sound investment.

OHH!—"I wish someone would send me flowers like that!" we hear Pat Woolery say. That sounds like a hint to Mickey Grensted. But, he needs no hint for he has already ordered Pat's corsage for the Girls' League Dance. MALIN'S has made corsages for W.U.H.S. students for years.



WHAT DO YOU THINK?—Max Willsey seems to think that Carolyn Wolford, Nancy Ince, and Dixie Dodd show very good taste in the shoes they have purchased from PETER'S SHOE STORE. Each girl found just the style to suit her needs. Max seems to be telling the girls that he too found just what he wanted at Peter's.

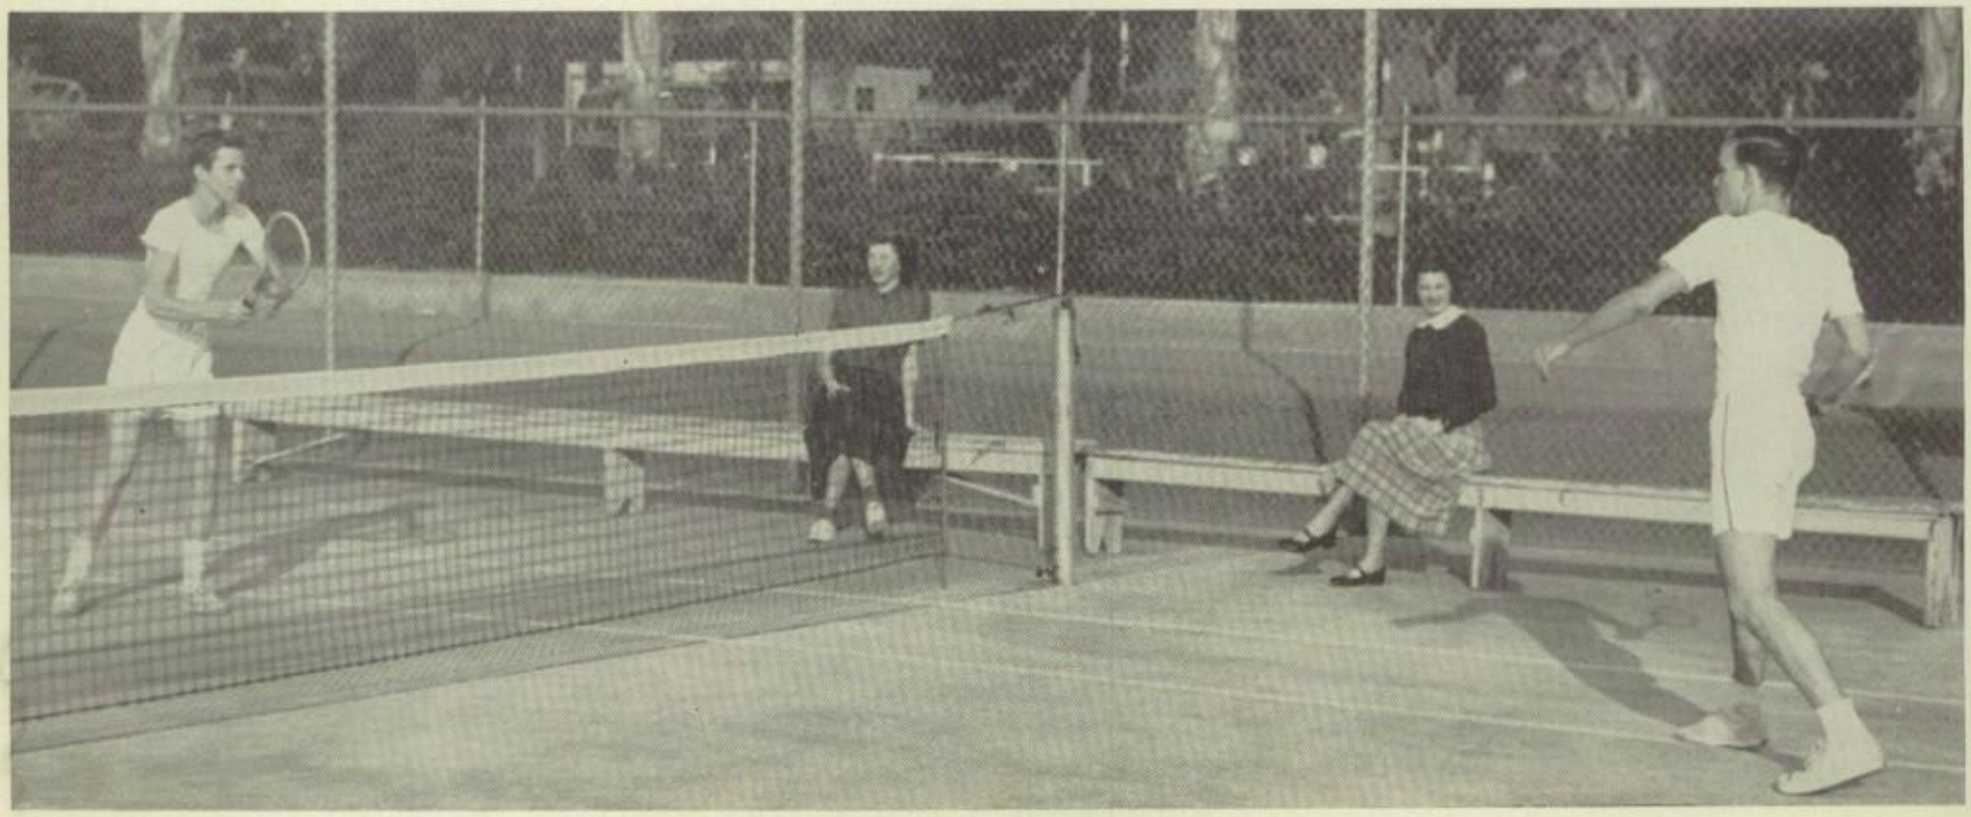
READY AND WAITING—Jackie Wilson is all set for a good time, as she opens the door for Johnny. She can hardly wait to show him her new sun-dress from LE NELL'S.

IS SHE READY?—As he rings the doorbell, Johny Tikunoff is hoping Jackie will like his new jacket. He doesn't need to worry though, because she is sure to like it, since it's from HORSEMAN'S.

WHAT IS IT?—It looks like a "mechanical monster," but really it's an Omega enlarger to be found in MONTE'S CAMERA SHOP. Cliff Johnson and Ronnie Davis have stopped to examine it, as they purchase film for their cameras.

A TRUE REDBIRD—Ann Losee and Bud Darrow have chosen this cardinal figurine from the CALVIN ART SHOP for a gift, while Jeanne Kiger and Kerry Swart found a card to go with it.

TIGER—That's Ben Smith, as he and Dale Barringer try out their new Wilson rackets from the WHITTIER SPORTING GOODS. Ann Pryor and Carolyn Jones seem to be enjoying the game, but they don't quite agree on who is going to win.



LES FLEURS POUR VOTRE CHAPEAU—Kathy Kramer and Diane Halfhill like the flowers on their new hats from AILEEN'S. They can't help smiling, as they show off these new bonnets.

HMMMMM! THAT LOOKS GOOD—Looks like Pam Stanfield and Bill Kirby have spotted something pretty good on that menu—maybe a great big hamburger. They know that the hamburgers at the HADLEY DRIVE-IN are tops. Dick Salas looks undecided. (Do you suppose he can't read?)

VACATION AT LAST—June 18 finds Joan Marchi and Sue Taylor well-prepared to travel on their vacations with clothes from NADINE'S. Joan has chosen a knit suit, while Sue preferred a pretty and practical nylon blouse and a checked skirt with a jacket to go with it.

JUNIOR-SENIOR PROM—Shirley Wheeler and Wally Horney are looking forward to the evening ahead of them as they begin by having dinner at their favorite restaurant. Wally is dressed for the occasion in a white dinner jacket from HECK'S MEN'S STORE.

SERVICE WITH A SMILE—Is what Betty Batchelor, Bob Eyler, and Fred Robertson are getting at GEORGE'S DRIVE-IN. These W. U. H. S. students enjoy not only the food and the service, but they like to meet their friends at George's after a dance or a show.

JUST A SIMPLE MELODY—(We hope!) Martha Borchers and Pat Adams try a little harmonizing, while Joanie Erreca and Lee Smith accompany them on piano and bass. They are making a tape recording at WAER'S MUSIC STORE. It should be fun to play it back later. Mr. Waer has moved to 8711 Santa Fe Springs Road for records, recordings and lessons.

HOW DO I LOOK?—Barbara Morgan has an audience, as she adds that final touch before going to school. Janet Massie agrees with Barbara that she made a wise choice in selecting her cosmetics at the POINSETTIA PHARMACY.

"SPOTLESS!"—Says Steve Ralston, as he shows Harold Reid his slacks which have been cleaned by the WHITTIER LAUNDRY. Both of the boys know that the Whittier Laundry does a good job.

LET'S SEE—Bud Mohr watches, as Warren Bisebee and Dick Montgomery try on clothes in JERRY'S. Warren is wearing gray slacks and a sport shirt, while Dick is trying on blue denims.

WATCH OUT BOYS—We mean watch out for Sylvia Silves, Martha Stearns, and Peggy Parker. They have just made a shopping trip to BALLARD & BROCKETT.

WHAT TIME IS IT?—"We know," say Marilyn Ashton and Carl Couch, as they look at their watches from UPTON'S JEWELRY STORE. Dick Beam may not know what time it is, but he does know that he has found the perfect present for June Smith in Upton's wide selection. June looks pleased too. Donna Yaeger and Carol Wintz are looking farther ahead, as they look at the fine array of diamonds also to be found at Upton's.

FROM MY WINDOW—As they view the lights of downtown Whittier, Carolyn Russell and Steve Palmer probably have many questions to ask about our city. They know, however, that the WHITTIER CHAMBER OF COMMERCE will be glad to help them.

WHEW!—"Why don't we stop and rest for a minute?" says Bev Jesse. Connie, Mary, and Winkie Irving are glad to rest after their long hike. During the day's outing, they have discovered that their play clothes from PENNEY'S are comfortable as well as useful.

WHAT A BEAUTY!—Is the Buick that Tom Long is driving. Dinky Bell, Carolyn McAllister and Mark Wagner are hoping Tom will give them a ride. Georgene Turner and Tom Ponce want to look at one of the new Buicks from R. H. McALLISTER AND SONS.

SHOW TIME—During intermission at any of the BRUEN THEATERS, you will always find many "cards" munching pop corn or drinking cokes from the snack bar. Pat Butler, Jock McNees, Bonnie Pickering, and Jerry Stanfield are doing just this.

EDITOR'S NOTE

Here we are—at the end of a year that has been eventful in so many ways. This year has recorded the largest student body ever enrolled in Whittier's history. This year also marks the 50th Senior Class to graduate from our school. And this year is Whittier's last as the only school within the district. To record, to remember the milestones of the year, we of the 1952 Cardinal Staff have worked many months to bring this book to you.

I am extremely grateful for all the cooperation I have received, for without the assistance of each and every person, the '52 Cardinal could never have gone to press. I extend my sincere thanks and appreciation to every member of the staff for the diligent and untiring effort they have put forth in preparing the Cardinal. Glancing over the completed "dummy," I first see the opening section, so ably planned and executed by Keith Hamilton and Lou Ann Ehrich. Next in line, the fine Senior Section assembled by Carolyn Miller, Barbara Morgan and Tom Ponce. Moving along, I observe the Class Section with its addition of Basic Course pictures taken care of by Neville Bennett and Bev Jesse. Following this, the Sports Section, colorfully and cleverly done by Charles Course and Mickey Grensted. The excellent coverage of this year's clubs and activities was due to the combined efforts of Don Bachman, Martha Borchers and Betty Batchelor. Coming to the Society Section, I see the novel layouts originated by Carol Wintz and Donna Yaeger. Winding up the Cardinal, I survey the fine work of Barbara Babson, assisted by Julie Weiler and Jim Winford. Contributing to the entire book were Bob Huffman and Bob Eyler who handled the paper work and picture scheduling so efficiently, and Joe Hinojosa, staff artist, whose clever "Candy and Clarence" cartoon continuity appears on the cover and on through the book. And what would a yearbook be without pictures? The evidence is in the fine photography in the Cardinal, Ronnie Davis and Cliff Johnson, our conscientious cameramen having spent countless hours perfecting the pictures appearing on these pages.

While the '52 Cardinal is first and foremost the product of the staff, it could never have reached its final form without the able photographic portraiture of Mr. Barton, the engraving and printing of Stationers Corporation, and the cover artistry of the S. K. Smith Company.

To Mr. Paul Gardner, our advisor, who since last September has given freely of his time, ideas, and assistance to our '52 Cardinal, I express heartfelt gratitude and the thanks of our entire staff.

Here we are—after months of planning layouts, picture taking, and copy writing, the '52 Cardinal at last has met its closing deadline. Only a dream last fall, it is now a reality, a memory book of our high-school days to add to the word-and-picture history of Whittier High.
